Thanks Patrick,

I know I have pushed for things that you might not advise your "normal" client towards....but I was laser focused on what I wanted to happen and how to go about it from the start....just how I'm wired.....whether it's to code or not, I'm not sure, but that's me anyway.

I appreciate all of your help and friendship through this. I couldn't refer any of my friends or family to anyone in the same situation to anyone but you if any of them have the need.

Thanks for everything.....we need to grab a drink together when my schedule permits.....on me of course.....

Let me know if anything changes and if we need to show up tomorrow.....for now.....I'm enjoying a celebratory cocktail.
